Advisor Meeting: Updates (10/8/2015)

Present at meeting: All students and Advisor

Showed D current prod website

Add Students: Double check that sections exist, make a confirmation page, update "student dropped" to "bobby dropped"

Input files now for console arguments and command line

Daniel R did some more server stuff, fixed some bug that gave root password.

No longer tries to run fail-to-compile code.

Assignment Submission: Think hard about how that appears to students. Students are dumb.

Daniels says it looks pretty good :D
